

Pair Hand

- A Pair Hand can only be played before you or your partner has melded.
- Wild cards cannot be used in a Pair Hand.
- A Pair Hand consists of 7 individual pairs (no duplicates) in your hand with no discard. The 14th card is from the draw pile that you picked up.
- A Pair Hand is worth 3,500 points and the hand is over once a Pair Hand has been played.
- Your partner's hand and 3's are not counted against you.
- Your opponents count their points as usual and the usual penalties apply.
